From initial disaster response to ongoing community development, their work fits together to provide people with safety, sustenance, and hope.

I thank everyone for their prayers and well wishes during my absence. I missed everyone and am very happy to return. I would also like to thank Siri and Pastor Leonard for filling in for me while I was healing from surgery. They did a great job!

decades, visiting a few times, or dropping in when times are tough for sanctuary and rest, we want people to feel welcomed and loved.
